**alubat Ovni 39**

**75 000 € ALL TAX INCLUDED**

## Description

**Ovni 39**, built in 1991 by the Alubat shipyard, is an essential reference in the world of blue water yachts build in **aluminum Strongall®**. Designed by the architect Philippe Briand, this integral leeboard combines robustness, safety and autonomy for offshore navigation and isolated anchorages.

Designed for demanding sailors, the **Ovni 39** offers exceptional versatility thanks to its **shallow draught**, allowing access to areas inaccessible to traditional keelboats

The advertised price of this boat is below the market price to cover the cost of replacing Genoa!

Available in Martinique, French flag European VAT paid.
