## Description

---

XBOAT ref :6304.The Grand Banks 42 Europa presented here is the Sedan version with a full-width cockpit opening into the salon and two cabins with a full bathroom. Power is provided by two robust Ford Lehman 6-cylinder inline diesel engines, each producing 120 HP. We are reluctantly selling this vessel due to our increased distance from the boat and health concerns. We have always maintained it regularly and with great care. This trawler is ideal for cruising in the Mediterranean. Its low fuel consumption and excellent seakeeping capabilities allow for safe, comfortable, and tranquil long-distance passages.
