Both styles are designed with high-quality materials and refined finishes, elevating comfort and aesthetics throughout the yacht. Inside, the spacious saloon remains the heart of the vessel, featuring a generous L-shaped seating area on the starboard side with the Linssen Easy Sleep Convert System®. Smart storage solutions are seamlessly integrated, ensuring maximum convenience on longer stays aboard.

Large windows fill the interior with natural light, enhancing the sense of space and highlighting the new design. The forward cabin benefits from additional portholes and deck hatches, ensuring excellent ventilation and brightness.
