Description

The new Linssen Grand Sturdy 45.1 AC represents the flagship of comfort and refinement within the Grand Sturdy® AC range. With its generous dimensions, renewed interior, and updated exterior styling, this motor yacht is designed for extended stays on board in complete luxury.

A defining feature of the new 45.1 AC is its fully redesigned interior, now available in two exclusive colour schemes: Sandstone Serenity and Olive Grove. Sandstone Serenity brings a light, tranquil atmosphere with soft, natural tones, while Olive Grove offers a richer, warmer palette for a more classic and inviting feel. Both styles are finished with premium materials and refined detailing, elevating the onboard experience to a new level.

The spacious saloon is the heart of the yacht, offering an elegant and comfortable living area with a generous seating arrangement on the starboard side, including the Linssen Easy Sleep Convert System® for additional sleeping capacity. Forward, a stylish dining area and a fully equipped galley provide the perfect setting for socialising and extended cruising. Thoughtfully integrated storage solutions throughout the saloon enhance practicality without compromising on design. Large windows surround the saloon, allowing natural light to flood the interior and emphasise the sense of space. This brightness continues into the forward cabin, where portholes and deck hatches ensure excellent ventilation and a pleasant atmosphere.

The 45.1 AC offers exceptional accommodation, with both the forward and aft cabins featuring free-standing double beds, generous
