nautica esposito Futura cabin 7,50

58 000 € ALL TAX INCLUDED

Description

The Esposito shipyard has specialized in the construction of Neapolitan gozzo boats for over 50 years. Its boats are characterized by classic lines applied to modern planing hulls.

This cabin cruiser model is one of the most representative of the shipyard and is in good general condition as it is mainly used at the lake in fresh water.

It needs some small restoration work such as painting the hull and replacing some parts of the gang leader.
