## Description

---

We present the 2018 Dufour 310 GL, a compact, agile sailing yacht that combines elegance, efficiency and the joy of sailing.

On board, you'll enjoy a surprisingly spacious interior, thoughtfully laid out – almost surprising for a boat in this class. We highlight its robust construction and modern hull, which ensure stability and a smooth ride at sea.

Outside, the two steering wheels make it easy to move around, whilst the spacious swim platform enhances comfort at anchor. You also benefit from a bow thruster, ideal for smooth and precise manoeuvres. Inside, the light is remarkable, the overall condition exceptional, and the full set of sails – square-top mainsail, spinnaker, genoa – provides you with everything you need to sail with ease.

In short, we are offering you a safe, user-friendly and surprisingly refined sailing yacht, ready to accompany you on all your sailing adventures without ever letting you down.
