Description

Elegance, Italian design and performance meet in this splendid Invictus TT460, model 2022, a high-end open designed to experience the sea with style and maximum comfort.

Boat in excellent condition, with very few hours of motion and always sheltered, ready at the buoy without any intervention.

Modern and recognizable lines by Christian Grande, with a high-performance hull and spaces designed to offer maximum livability both at sea and at anchor.

A plus of great value: the boat is equipped with opening side balconies, which significantly expand the living area at anchor, and is equipped with the Volvo Penta IPS 800 engine, which is more performing than the standard IPS 650 version, ensuring greater thrust, efficiency and maneuvering comfort.
