Description

Very good condition.

Powered by two Mercruiser 3.0 LX petrol engines each. Of which an engine fitted new July 2025 . Ordinary maintenance has always been scrupulously carried out by specialized mechanics.

9 months a year in the shed

Considerable compromises between the characteristics of the open and day cruisers have been achieved in eight meters in length, obtaining a functional product with a pleasant aesthetic.

The open area is characterized by the presence of maximum space and comfort for outdoor life, with large surfaces on which to sunbathe and a cozy living room for conversation; The cruiser, on the other hand, is characterized by the presence of a comfortable environment with adequate spaces for staying on board that do not need to have to struggle to transform the same spaces into a sleeping area.
