

SALE PRE OWNED

galeon 405 htl

320 000 € ALL TAX INCLUDED

Description

We are pleased to present this 2017 Galeon 405 HTL for sale, in second ownership and well maintained.

The Galeon 405 HTL stands out for her modern design, quality of build and hard top lounge concept, offering excellent natural light and a seamless connection between indoor and outdoor living spaces. This particular unit distinguishes itself by her overall condition and careful maintenance, offering a boat that is ready to cruise, comfortable and particularly enjoyable to live aboard on a daily basis. Powered by twin Volvo Penta D4 300 engines with only 423 engine hours, she delivers balanced performance with a top speed of approximately 35 knots.

The cockpit provides a welcoming and social space, centered around a fully equipped wetbar (grill, sink, refrigerator), along with generous lounging areas, ideal for enjoying time at sea.

Inside, the saloon is bright and inviting, and benefits from air conditioning, ensuring optimal comfort in all seasons. The full-beam master cabin features a panoramic roof, offering plenty of natural light and the possibility to enjoy nights under the stars, while a second double cabin with its own bathroom completes the layout.

A tender garage as well as an extended and deployable swim platform complete the package, making access to the water and water activities particularly easy.

Key features:

- Air conditioning
- Raymarine navigation electronics (GPS / chartplotter, autopilot, VHF)
