Description

When Como's shipbuilding tradition and passion for boating meet craftsmanship and the desire to innovate, products come to life "unique", capable of best interpreting the dreams of the most demanding owner. By making motorboats that aim for "total quality" Blu Martin Yachts builds exclusive boats, full of innovative ideas in design, materials and equipment, where attention to detail, customisation of finishes, project variants and a very wide range of accessories are success factors.

PERSONALIZATION

The choice is totally customizable in order to create a unique and unmistakable model starting from the layout of the interiors to the colors of the hull and upholstery

Blu Martin Yachts builds exclusive boats, full of innovative ideas in design, materials and equipment, where attention to detail, customisation of finishes, project variants and a very wide range of accessories are success factors.

When Como's shipbuilding tradition and passion for boating meet craftsmanship and the desire to innovate, products come to life "unique", capable of best interpreting the dreams of the most demanding owner. By creating motorboats that aim for "total quality". From the distribution of interior spaces to the selection of wood for the furniture, from the set-up with different engines to the choice of options and technological components, every detail is the result of a shared work between the workforce and the customer, carefully planned and
