

SALE NEW

spx rib 28 (nuovo 2026) – luxury performan PRICE UPON REQUEST

## Description

---

The SPX Rib 28 is one of the most anticipated novelties of the Sicilian shipyard for the 2026 season. It is strategically positioned between the successful 24 model and the larger 32, offering a balance between trailerability (if deflated) and high-level daytime cruising spaces.

### Technical features

Despite the "28" name, the actual size brings it closer to a 29-footer, making it one of the most spacious inflatable boats in its class.

Overall length: 8.85 meters (some sources report 9.00 m for extended platforms).

Overall width: 3.25 meters.

Passenger capacity: up to 16 people.

Beds: 2 (inside the console cabin).

Bathroom Rooms: 1 separate.

Tanks: Fuel 450 liters / Water 120 liters.

CE certification: Category B (designed for offshore sailing).

### Engines and Performance

The hull is designed for high performance, typical of SPX Rib's sporty DNA.

Minimum recommended power: 1 x 300 hp or 2 x 175 hp.

Maximum Installable Power: 600 hp (2 x 300 hp or 450 hp single-motor configuration).

Speed: With maximum engine, peaks of over 55 knots are expected.

### Layout and Equipment

The design aims to maximize "Italian Chic" ergonomics with customizable finishes (carbon/perlage tubulars, colored gelcoat,
