

SALE PRE OWNED

pershing 5x

PRICE UPON REQUEST

Description

The Pershing 5X represents a perfect synthesis of sporty design, advanced technology and high-level comfort, embodying the unmistakable style of the Pershing shipyard.

We offer for sale this refined 2019 example, kept in excellent condition and characterized by the elegant original Pershing paint in gray, which enhances its sleek and contemporary lines.

Powered by a high-performance 2 x Volvo Penta D11 IPS950 engine with 725 hp, with only 360 hours of motion, it offers brilliant performance, great maneuverability and maximum efficiency in navigation.

The outdoor spaces are designed to experience the sea in total comfort: large cockpit with dinette and table for convivial moments, generous sundecks aft and bow for maximum relaxation.

The elegant and bright interiors house a refined saloon on the main deck with a "C" shaped sofa, table and cabinet with retractable TV.

Below deck we find a fully equipped galley and a sleeping layout consisting of three double cabins and two bathrooms with showers, designed to ensure privacy and comfort even during extended cruises.

Full optional equipment of the highest level includes Seakeeper gyroscopic stabilizer, retractable hydraulic gangway, hydraulic swim platform, complete teak on all external walkways and Garmin on-board electronics complete with radar and autopilot.

An exclusive boat, designed for a demanding owner who wants to combine performance, luxury and technology in a single sailing experience.

Excluding mediation fees
