Description

The Gagliò 9.25 is a medium-high range inflatable boat designed to offer comfort, performance and great livability on board, ideal for both private use and day charter. It is placed in the category of RIBs over 9 meters, therefore designed for more demanding outings and with greater autonomy than smaller models. Hull designed for stability and safe navigation even in rough seas. Large diameter tubulars for greater buoyancy and safety. The Nautica Gaglione Gagliò 9.25 is the perfect inflatable boat for those who want to stand out: elegant lines, generous spaces and brilliant performance come together in an ideal balance between comfort and sportiness. Designed to experience the sea without compromise, it offers safe navigation and exceptional livability on board. An opportunity to take home an exclusive vehicle, customizable and ready to give emotions from day one.
