Description

Jeanneau Merry Fisher 895 Sport from 2022 in Offshore version, powered by a highly desirable twin Mercury V8 250 HP configuration with only 326 hours.

This twin 250 HP setup is rare on this model and provides a significant advantage in terms of performance, safety and versatility, allowing fast, stable and comfortable cruising in all conditions.

The boat has been meticulously maintained, with all services carried out by Mercury certified technicians, ensuring excellent mechanical condition and full peace of mind for the future owner.

This unit features the 2022 Premiere finish and comfort pack 220V, offering a well-designed interior with full upholstery, interior curtains, removable carpets and an additional saloon berth conversion maximizing onboard living space.

Navigation equipment includes a Garmin GPS/sounder with charts, Garmin Fantom 18 radar and fixed VHF with antenna, ensuring safe and efficient navigation.

The cockpit is fully modular and designed for versatility, featuring a teak table, folding side bench, forward sun cushions, multiple storage areas and a paddle rack. The boat is also equipped with a full fishing package including a livewell with seawater circulation pump and deck wash system.

Outdoor comfort is enhanced by a forward sunshade and sliding roof extension, ideal for enjoying time at anchor and at sea.

The boat is delivered ready to sail with full preparation and antifouling
