bwa nautica Bwa 9000

79 000 € ALL TAX INCLUDED

Description

BWA is the Italian leader in the construction of inflatable boats, boasting a history of more than sixty years.

The Milanese shipyard, in fact, was one of the first to produce small models of inflatable boats with rigid fiberglass hulls (precursors of modern Rigid Inflatable Boats).

This model is in very good overall condition as it underwent a total refit in 2025.

Several works have been carried out including:

- hull resin coating
- hull painting
- new plants
- new cushions
- new furniture
- new tubular

Possibility of selling the boat with/without the new (2026) Mercury 300 hp engine.
