

SALE PRE OWNED

solaris power 60 coupé

Description

EXPOSED IN CANNES FROM SEPTEMBER 9 TO 14, 2025!

NEW SOLARIS POWER 60 COUPÉ: NEW WORLD REFERENCE IN MARINE BEHAVIOR

- The deep V hull and high, flared bow ensure smooth sailing over waves, keeping the deck dry even in rough seas
- Excellent stability both underway and at anchor.
- Capable of perfect navigation in displacement or planing modes
- Longitudinally arranged tender garage
- Low fuel consumption, resulting in extended range and reduced CO2 emissions
- Deep walkaround design offering safe and unrestricted movement on deck
- Advanced propulsion technology with a hull designed in synergy with Volvo Penta
- Quiet operation without vibrations
- Spacious engine room, easily accessible and well ventilated
- Sea solidity is, as always, a priority for Solaris Power, and the shipyard has invested considerable resources to optimize marine behavior through perfect mastery of composite construction by infusion.
- Feel free to ask us for a personalized quote.
- A Fly Bridge version is in preparation
