absolute 58 fly

1 150 000 € EX. VAT

Description

2019 ABSOLUTE 58 Fly, powered by twin Volvo D8 IPS800 engines. Boat in excellent condition, meticulously maintained and ready to cruise.

This model perfectly embodies the expertise of the Italian shipyard Absolute Yachts, renowned for the quality of its finishes, the intelligence of its layouts and the exceptional brightness of its interiors.

Its modern design, highlighted by uninterrupted panoramic side glazing, gives her an instantly recognizable profile and remarkable natural light throughout the interior.

This model also stands out for its particularly generous living spaces: a spacious and light-filled saloon, galley open to the cockpit, an immense flybridge among the largest in her category, as well as beautiful relaxation areas both forward and aft.

The interior layout offers 3 true cabins with en-suite bathrooms, including a superb full-beam owner's cabin, as well as an independent skipper cabin.

Very well equipped model: Seakeeper 9, 180 l/h watermaker, Yacht Controller, Volvo DPS, third joystick control station, satellite TV antenna, hydraulic bathing platform.

Detailed specification available upon request.

The boat has been particularly well maintained, with annual polishing, a full custom-made winter cover and comprehensive servicing.

Possibility of an annual berth in Hyères.

Contact us for further details.
