## Description

The Wama 26 S Crossover offers unmatched versatility for every sea adventure. Whether you're cruising with friends or enjoying an exciting surf session, this boat is ready to fulfill all your needs. Choose between the Volvo V8 350 HP outboard engines or the Volvo 380 HP inboard engines. Additionally, you can select one or two engines, making the Wama 26 S adaptable to your preferred cruising style. Thanks to the Volvo 380 HP front-wheel drive, the boat ensures smooth navigation in various conditions. The modular sunbathing area lets you enjoy the sun, while the sliding bimini provides shade when desired. The carbon fiber archenhances the boat's design, and the foldable open carbon sidewalls create extra space and comfort. The Wama 26 S is built for flexibility. With 750 liters of water ballast, a bow thruster, and trim tabs, it easily shifts between cruising and surfing modes. Whether you're looking to relax or engage in thrilling water sports, the Wama 26 S delivers an effortless experience. Constructed with premium materials, this boat offers luxury and style. It blends power, design, and functionality, making it perfect for anyone seeking a top-quality maritime experience. Whether you're exploring coastal areas, relaxing with friends, or surfing the waves, the Wama 26 S Crossover guarantees unforgettable moments. The Wama 26 S accommodates 6-8 guests for cruising and offers sleeping arrangements for 2-4 people. It's ideal for day trips and overnight stays, offering all the comfort and convenience you need. The Wama doesn't just offer speed but also excels in maneuverability. Whether you're on a relaxed cruise or catching waves, every ride is a combination of comfort and excitement. Are you ready to
