Description

The 2010 Sunseeker 62 Predator embodies the perfect fusion of aggressive performance and refined luxury. Crafted for those who demand excellence on the water, this striking sport yacht delivers speed, elegance, and versatility in a sleek and spacious design. Its bold exterior lines are matched by a smartly designed cockpit and retractable hardtop, offering seamless transitions between open-air freedom and sheltered comfort. Expansive sunpads, a generous aft deck, and wide side decks make outdoor living effortless, whether at sea or at anchor.

Inside, the Predator 62 impresses with its high-quality materials, contemporary styling, and intelligently planned layout. The saloon features panoramic windows and luxurious seating, while the fully equipped galley and three en-suite cabins provide all the comforts of a luxury home at sea.

Powered by twin MAN 1100 HP engines, the Sunseeker 62 Predator offers exceptional agility and performance, cruising comfortably at 26–28 knots and reaching top speeds of 33–35 knots. With a draft of approximately 1.55 m, she can access a variety of exclusive cruising grounds with ease.

Additional highlights include joystick controls for effortless docking, a tender garage, a hydraulic bathing platform, and advanced navigation electronics. The yacht is designed to accommodate up to 12 guests cruising, making her perfect for entertaining or extended voyages. From weekend getaways to longer adventures, the Sunseeker 62 Predator delivers thrilling performance, unmatched comfort, and
