The DC40 CAT opens a bold new chapter in DutchCraft's journey. It's where cutting-edge technology meets effortless comfort, and where purposeful design transforms time on the water into something extraordinary. More than just a boat, the DC40 CAT is a true expression of freedom, flexibility, and function. Thanks to its wide-beam catamaran design, the DC40 CAT delivers exceptional space and stability. Unlike traditional boats in its class, it gives you room to breathe—and to live exactly the way you want. Whether you're organizing a lively sunset gathering with friends or enjoying a peaceful solo retreat at anchor, this boat adapts to your plans. Its modular, fully customizable layout lets you personalize every detail. Want an open deck with flexible seating for socializing? You got it. Prefer shaded areas for quiet relaxation? Easy. Need space to store your paddleboards, diving gear, jet skis, or a tender? No problem. The DC40 CAT makes it simple to bring everything—and everyone—you love. Beneath the surface, the DC40 CAT is engineered to perform. Its advanced foiling catamaran platform enhances fuel efficiency, reduces drag, and ensures a smooth ride, even in choppy conditions. This design means more comfort for everyone on board and greater confidence at the helm. In addition, the DC40 CAT handles longer journeys with ease. You'll enjoy a greater range, fewer refueling stops, and more time doing what you love. Whether you're island-hopping or heading offshore, this boat stays steady, reliable, and responsive. Life onboard the DC40 CAT is effortless. Its thoughtful layout connects interior and exterior spaces seamlessly, creating a natural flow throughout the vessel. Inside, you'll
