This Solaris 52 Power 2025 embodies the best in 50-foot day boats. It comes straight from the Solaris Power workshops, renowned for their expertise.

A beautifully thought-out layout: the volumes are generous, striking a rare balance between sporty appearance and elegance. The hull, inherited from Solaris Yachts' expertise, provides excellent sea handling, even in rough waters.

What really makes the difference:

Two huge sunbathing areas that easily accommodate three people each

Two foldable side rails that transform the cockpit into a true floating terrace

A modular cockpit, perfect for relaxing or entertaining guests

This version offers 2 cabins and 2 bathrooms, with high-end finishes and a true attention to detail. The interior is bathed in natural light, with a successful blend of Italian design and modern comfort.
