## Description

The Monte Carlo 5 distinctly embodies the premium spirit of the range. This emblematic model stands out for the elegance of its fabrics, the attention to detail and the perfectly successful Italian design. Combining its ancestral experience and the latest technologies on this unit, Beneteau has designed a motor-cruiser with values that are directly inspired by Monte Carlo Yachts. Inspired by the Mediterranean lifestyle, the Monte Carlo 5 has a unique and timeless charm. Conceived as a real place of life on board, the large shaded flybridge has a helm station, a sundeck, an outdoor kitchen as well as a large saloon to experience cruises with a taste of perfection. The refinement of the hull together with the Volvo IPS 600 engine ensures smooth, high-performance and extremely safe navigation. Transforming the main deck into a single place to live on board, the completely retractable glass door naturally unites the interior and exterior spaces. Organized with opposing seats, the saloon in the center of the dinette spreads a sweet atmosphere of elegance imbued with complicity. The three cabins and two bathrooms can comfortably accommodate 6 guests and there is great attention to detail.
