

**SALE PRE OWNED**

**princess 64 fly**

**850 000 € ALL TAX INCLUDED**

## Description

Constructed in 2011, this well-loved **\*\*Princess 64\*\*** has been cared for with great attention by her crew. She offers an expansive flybridge, four cabins on the lower deck, and an open and inviting main deck living space with the galley. Her electro-hydraulic swim platform makes it simple to launch and retrieve a 3.25 m jet rib.

The yacht sleeps eight guests across four cabins, three of which benefit from en-suite bathrooms. All cabins feature rich walnut joinery, generous headroom and plenty of natural light. There's also a crew cabin with twin berths and its own bathroom, providing both comfort and privacy.

The welcoming salon combines the lounge, dining area, galley and lower helm into one sociable space. For additional seclusion, the galley can be closed off with a powered glass partition.

Owned by only two individuals since new, **\*Devil One\*** has been updated with a number of enhancements, such as a yacht controller and new upholstery throughout inside and out. She is powered by twin 1150 hp Caterpillar C18 engines, which have recently been overhauled and currently show just 50 hours of use.

Highlights include:

- Yacht controller
- Bow and stern thrusters
- Full Raymarine dual-station navigation suite
- Air conditioning
- Onan 17.5 kW generator
- Hydraulically operated bimini top
