Description

Brilliant.... Versatile... Simple and functional... Classic but modern...
Ideal for all seasons... of life!

Goiter but gliding... Over 30 knots of maximum and 26 knots of
cruising and a lot of power reserve!

Simple and functional... Classic but with modern aesthetic solutions:
XL stern platform and HT Openable.

A Lobster also... but with history and the class APREA!

An investment over time in economic terms.

INTERIOR - Version: 1 Double cabin, 1 Bathroom with shower. Saloon
sofa convertible into a double berth.

Light and air at will characterize the interiors which, although in
wonderful wood, in the upper parts are pure white, as per modern
customs that provide for the absence of fabrics on the walls.

The descent staircase is wide, (practically double the std.), and with
comfortable steps.

The floor is made of very fine wooden parquet

The saloon is very large, the feeling is of a larger boat.

The dining/relaxation sofa is adequate and can be converted into a
double berth if necessary.

The galley immediately to the left upon entering, although below
deck, is visible from the cockpit and is actually adjacent and
communicates with the outside.

The bathroom is large and cozy.

The forward owner's cabin is splendid.

Folding Saloon Table (convertible into a berth).
