## Description

The 2007 Azimut 62 Fly Evo is an elegant flybridge motoryacht about 20 meters long, characterized by fluid and modern lines, designed by Stefano Righini's studio for the exteriors and with interiors designed by Carlo Galeazzi.

The hull is made of fiberglass with a deep V planing hull, optimized to offer high stability in navigation and good performance. The interior layout includes three guest cabins: a master cabin amidships, a VIP cabin in the bow and a twin cabin, all with private bathrooms.

The lounge is large and bright, with panoramic side windows, leather sofas, raised dining area and fully equipped open plan style kitchen, finished in polished cherry.

The flybridge is spacious, equipped with a sundeck, C-shaped sofa, wet bar and wheelhouse area, ideal for outdoor navigation and conviviality.

Aft, the cockpit is large and connected to the bathing platform via an integrated ladder and hydraulic gangway.

Main accessories: Generator - Autopilot - Gangway - Platform - Teak in cockpit - Air conditioning - Satellite TV antenna - Digital terrestrial - 4 TVs

The 2007 Azimut 62 Fly Evo is an elegant flybridge motoryacht approximately 20 meters long, featuring flowing, modern lines. The exterior was designed by Stefano Righini, while the interiors were designed by Carlo Galeazzi.
