Description

The Saxdor 400 GTS represents a new generation of sporty walkarounds, where Scandinavian design meets intelligent solutions and high-level performance. 12.40 m long and 3.55 m wide, it is designed to offer surprising spaces, maximum outdoor usability and an engaging sailing experience, with approval for up to 12 people. Powered by 2 x Mercury V10 350 hp Black, it guarantees prompt acceleration and precise handling, supported by the latest generation instrumentation with 16" Simrad NSS4 display, GPS, echo sounder and VHF. The cockpit is a real lounge on the water, enhanced by a teak cockpit, folding tables (saloon with electric leg), courtesy lights as well as underwater lights that transform the evening mooring into a scenic moment.

Comfort is ensured by premium equipment such as bow thruster, Lenco Pro auto-trim, retractable anchor system with Ultra Anchor, Mastervolt shore power system, hot water, electric toilet and a functional kitchen with outdoor refrigerator. The Honey color cushions complete an elegant and welcoming environment. An ideal proposal for owners looking for contemporary style, advanced technology and modular spaces.
