Description

Get on board the Fratelli Aprea 750 Open and get ready to experience the true Mediterranean "Dolce Vita"! It is not just a boat, it is a masterpiece of Sorrento craftsmanship that turns heads in every port, from Capri to Portofino. "Me-la godò!" maintains the timeless design that characterizes it: the soft lines of the traditional gozzo blend with the warmth of the precious teak and mahogany wood. It is elegance in its purest form, a perfect mix of history and modernity that will never go out of fashion. A real terrace overlooking the sea: the deck is an invitation to total relaxation. The huge bow sundeck is the place of honor to enjoy the sun, while the spacious cockpit is perfect for a sunset aperitif with friends, lulled by the waves. Below deck, a small nautical "suite" awaits you, with surprising comfort. Mirror-finished woods, a cozy bed and a separate bathroom that guarantees unexpected privacy for a 7 and a half meter boat. The sailing experience is impeccable: it glides over the water with incredible gentleness. Thanks to its stable hull and reliable engine, it offers safe and dry sailing, making you feel like the true master of the sea. Mooring maneuvers might appear "complicated" with the single engine, but the very small gozzo is designed to stay low on the water and not catch wind, for extreme safety you can accommodate a small outboard compared to the stern! Owning a 750 Open means joining an exclusive club where build quality meets a unique lifestyle. It is the ideal boat for those who don't just want to sail, but want to do it with class, soul and a pinch of vanity.
