one off One Off David Pedrick Yacht 589 000 € ALL TAX INCLUDED

Description

This 22.60-meter sailing yacht is a custom one-off build constructed in 1986 by the prestigious Derektor Shipyard in New York, a shipyard internationally recognized for building high-quality custom yachts. The yacht was designed by renowned naval architect David Pedrick, well known for creating high-performance and elegantly balanced sailing yachts.

Built using advanced Carbon / Kevlar / Epoxy composite construction, the yacht benefits from a strong yet lightweight structure, providing excellent strength, durability and sailing performance.

Designed for serious offshore cruising and long-distance sailing, the yacht offers both power and autonomy at sea. Meticulously maintained and regularly modernized, it now presents itself in excellent overall condition, ready to sail. This yacht represents a rare opportunity to acquire a pedigree sailboat, both capable and comfortable, built by one of the most reputable shipyards in the United States.
