Description

COMING SOON: BENETEAU OCEANIS 40 (Full photo gallery coming soon).

The Beneteau Oceanis 40 is a practical choice for those who wish to enjoy life at sea with a balance of comfort and simplicity; it is perfect for cruises with family or friends, thanks to its layout designed to accommodate up to eight people. The layout is designed to offer genuine comfort: three cosy cabins and two bathrooms ensure that every trip is comfortable and well-organised, whilst the saloon becomes the hub of life on board both day and night. The bow thruster makes manoeuvring easy even with a small crew, the generator and inverter provide autonomy and freedom even when away from the jetty, and the teak cockpit with table invites you to enjoy every moment al fresco. Every detail, from the fully equipped galley to the two helm stations, invites you to relax and savour every moment. The bimini and sun awning extend your time on board by offering protection from the sun, whilst the Raymarine electronics, including a chartplotter and GPS antenna, make navigation more intuitive and relaxed. If you're looking for a boat ready to offer you quality time and true freedom, this is the one you should come and discover.

The information provided in this brochure should not be considered binding.

Navigation equipment:

AIS, Rudder angle indicator, Radar Antenna, Compass (Plastimo), Chain counter, Plotter with GPS antenna (Raymarine 2022), Radar
