## Description

The Beneteau Oceanis 40 is a practical choice for those who want to enjoy the sea with a balance of comfort and simplicity; it's perfect for cruises with family or friends, thanks to spaces designed to accommodate up to eight people. The layout is designed for true comfort: three cozy cabins and two bathrooms make every trip comfortable and well-organized, while the dinette becomes the heart of days and evenings on board. The bow thruster makes maneuvering easy even with a small crew; the inverter and two solar panels (to be installed by the end of 2024) provide autonomy and freedom even when away from the dock; and the teak cockpit with a table invites you to enjoy every moment outdoors. Every detail, from the fully equipped galley to the dual helm stations, invites you to slow down and savor every moment. The bimini and canopy extend your time on board by providing shade from the sun, while the Raymarine electronics, complete with a chartplotter and GPS antenna, make navigation more intuitive and relaxed. If you're looking for a boat ready to offer you quality time and true freedom, this is the one to come and discover.

The information provided in this listing is not to be considered contractual.

### Navigation equipment:

AIS, Rudder angle indicator, Radar Antenna, Compass (Plastimo), Chain counter, Plotter with GPS antenna (Raymarine 2022), Radar (Raymarine 2023), VHF Radio (Raymarine).
