Description

THE BAVARIA C42 COMBINES EXCEPTIONAL SAILING CHARACTERISTICS WITH GREAT INNOVATION – Cossutti Yacht Design represents the further evolution of our renowned BAVARIA C-Line series and focuses on performance and space. A modern and innovative hull design, a rounded V-Bow developed by BAVARIA YACHTS that offers an exceptional sailing experience and an unusually spacious interior.

STRENGTHS

- Modern and stable hull with pronounced edge (chined hull): increases shape stability and improves comfort when sailing. Maximum beam set back: guarantees internal volume and excellent sailing performance. Designed by Cossutti, optimized for speed and control, even with a small crew. Excellent rudder balance and ability to go up the wind well
- Solid build quality, Sturdy and well-finished construction, also suitable for long-range cruising. Rational and easily accessible systems
- Very competitive quality/price ratio, one of the best cruisers in this market segment by global value: performance, comfort and price
- Lowest price on the market, DEAL
