Description

This catamaran is equipped to offer comfort, autonomy, and performance. It has an advanced electrical system (120A charger, 3000VA inverter, additional batteries), a large refrigerator-freezer with an ice maker, and an ONAN 17.5 kW generator.

For navigation, it features a high-performance rig with a square-top mainsail, electric winches, and a bow thruster. Its electronics include a complete Raymarine package with radar, AIS, and a 12" touchscreen.

Comfort is optimized with air conditioning, a watermaker, high-end interior fittings, and well-equipped outdoor spaces (sunbathing area, plancha, underwater lighting).
