Owner speaks : I chose this PRESTIGE 460 Fly for its elegance, comfort and excellent seaworthiness, which make it perfectly suited to both family outings and coastal cruises. It is a particularly pleasant boat to live on and to sail, and has always been maintained with the utmost care.

I am parting with it today solely because of a new personal project, following the recent purchase of a second home. It is a difficult decision, as it is an exceptional boat to which I am very attached.
