Description

The Riviera 3600 Sport Yacht is a true masterpiece of Australian design, designed for those who want to experience the sea in style, without sacrificing practicality. It is the perfect boat for those who love the "social lifestyle": an explosive mix of sporty elegance and absolute comfort! That's why you'll love it: First of all, the dreamy "Open Plan" design, the highlight is the stainless steel rear window that lifts up completely. In an instant, the cockpit and the saloon become a single, immense open space. It's ideal for sunset or enjoying the sea breeze while you're in the kitchen. Performance and maneuverability: this boat is driven with disarming ease, even for those who are not experienced sea dogs, while offering smooth, silent navigation and very low consumption. The interior is well finished, don't let the compact size fool you: inside it is a jewel of cherry cabinetry. It has two cozy cabins and a spacious bathroom, defined with an attention to detail that only a prestigious shipyard like Riviera can offer. With its sleek lines and sporty profile, Alba does not go unnoticed on the dock, it is a boat that transmits energy and desire for freedom at first glance. It is the perfect adventure companion for unforgettable weekend getaways, where luxury meets maximum freedom. Call for more information.
