

SALE PRE OWNED

azimut 55 flybridge

397 500 € ALL TAX INCLUDED

Description

The Azimut 55 Fly is one of the most successful models in the Italian shipyard's historic range, appreciated for its perfect combination of elegance, comfort and performance. Classic lines and balanced proportions blend with surprisingly generous interior spaces for the category: three cabins, two bathrooms, a separate sailor's cabin and a large saloon with a convivial dining area. This unit is in excellent general condition, with numerous maintenance interventions carried out in recent years. The internal upholstery of the stairwell leading to the sleeping area was completely redone about 5 years ago, giving the interiors a renewed and bright look. The boat is equipped with a new stainless steel chain, a new winch, AGM service batteries installed in 2025 with a new charger, and recently replaced stern cushions. The flybridge glass has been replaced, while the on-board instrumentation was completely updated about 2 years ago with new Simrad display, VHF and compass. The picture is completed by the safety equipment ready for navigation. A boat with attention to every detail, constantly loved, maintained, and updated, ideal for those looking for a prestigious, reliable and ready-to-use flybridge.

Navigation equipment:

Rudder angle indicator, Radar Antenna, Compass (2023), Electronic engine control, Chain counter, chronometer, Display (Simrad 2023), Depth Sounder (Simrad, + allarme Raymarine), Intercom (RayMarine), Consumption monitor, Autopilot (Simrad), Chartplotter (Simrad), Plotter with GPS antenna (Simrad), Control panel, Radar (Simrad), VHF Radio (2023), Engine Measuring Instruments.
