NEW SOLARIS POWER 60 OPEN
A GREAT DAY BOAT CAPABLE OF LONG CRUISES, COMFORTABLE AND SAFE, IN ALL SEA CONDITIONS.
The boat sails smoothly through the waves and the deck remains dry thanks to the deep V hull, optimal weight balance, low center of gravity (Use of carbon fiber, vacuum infused sandwich construction) and the 60-foot waterline length. **EXCLUSIVE LUXURY AND PLEASURE AT ANCHOR**
Sun deck and living space on the front and rear deck, deck bar, shaded dining area and maxi TV screen outside.
Thanks to the large tender garage for a hydrojet and water toys, the lifting platform for jet skis, the hydraulic gangway that transforms into a comfortable bathing ladder and the relaxation areas on the front and rear deck.
ALL THE COMFORT FOR AN ENVIOUS QUALITY OF LIFE ON BOARD The main cabin offers impressive space and comfort, with a bed size that rivals those usually found on much larger yachts.
Feel free to ask us for a personalized quote, the discovery of an already delivered boat is possible on the French Riviera.
Leasing and rental management possible in our agencies.
