Description

On board the fly 53, an airy ambience evokes a feeling of innate freedom and a relaxed lifestyle, which are well suited to dynamic families looking for new horizons. Elegant, well-kept and comfortable areas inspire a sense of well-being and pleasantness, giving a new meaning to the concepts of space and style. With great ease and naturalness, guests will be able to experience the full-height interiors, while enjoying a surprising perspective of the sea. The designer Alberto Mancini has designed sleek and light shapes, preserving incredibly generous interiors, further enhanced by the intimate and harmonious atmosphere, which is the basis of the entire philosophy of the boat, masterfully interpreted by Achille Salvagni.
