Description

PROMPT DELIVERY

The Merry Fisher 1095 Coupé Serie2, also available in a Fly version, is ideal for all boaters who want to turn every weekend into an unforgettable experience.

The hull is punchy and offers optimal stability and performance, the aft terrace is spacious and the circulation on board is smooth and safe.

The large capacity of the fresh water tank of the Merry Fisher 1095 Coupe Serie2 guarantees a certain freedom to enjoy long weekends away from home!

The Coupé version stands out for its optimisation of the cockpit.

The U-shaped saloon, rather than the L-shaped of the flybridge version, frees up space and offers a convivial area that is perfectly suited to moments of relaxation.

To enhance the experience on board, two opening roof panels can be added as an option, allowing you to take full advantage of natural light and sea air.

Thanks to the large platform near the water and the 100% relaxation area at the bow, swimming and lazing around are guaranteed.

The dedicated storage space for paddle boards adds a touch of practicality, ideal for water sports enthusiasts and a guarantee of unforgettable memories on the water.

Navigation equipment:

On-Board Computer, Chain counter, Display.

Staging and technical:

Engine Alarm, Bilge Alarm, Water pressure pump, Shore power cable,
