sessa marine Islamorada 23'

25 000 € ALL TAX INCLUDED

## Description

Soft and rounded lines predominate on board the Islamorada 23, a small day cruiser ideal for day trips or short cruises along the coast. Thanks to a particularly generous freeboard, a small cabin has been created below deck, sufficient for overnight stays. The deep V hull, with an angle of 31° at the bow and 19° at the stern, has two hydrodynamic support skids on each side. The engine, consisting of a 227 hp petrol sterndrive engine with direct injection, allows it to reach decidedly high top speeds.
