

SALE PRE OWNED

absolute 50 fly

950 000 € ALL TAX INCLUDED

Description

Elegance, modernity, and refinement come together perfectly aboard this 2020 Absolute 50 FLY. This yacht has been meticulously maintained by our team and carefully cared for by its owner. It boasts a very reasonable number of engine hours.

The 50 FLY features the same layout as the highly successful 52 FLY in this category and benefits from the addition of a proper staircase for accessing the flybridge, as well as very comfortable seating at the bow, in addition to the sunpad.

Equipped with two 480hp Volvo D6 engines, this yacht guarantees effortless handling thanks to the IPS 650, joystick steering, autopilot interface, bow thruster, and Seakeeper stabilizer, installed in early 2025. The latter ensures optimal stability while underway and, above all, comfortable anchoring.

For your comfort on board, all the amenities to make you feel right at home await you on this Absolute 50 FLY: a refrigerator and barbecue on the flybridge for a complete summer kitchen, Mediterranean air conditioning, a wine cellar, a 17.5kW Onan generator, allowing you to run various appliances simultaneously, an inverter, a TV in each cabin, and a retractable TV in the saloon. Full enclosure covers protect everything for optimal winter storage.

With its 1600 liters of fuel and its fresh water autonomy thanks to the desalinator, this used Absolute 50 FLY is ready for long voyages, in complete serenity.
