Description

Specifications

The Sessa C30 is one of the highest specification 30 foot cruisers on the market. She comes with champagne and oak interior and is powered by twin Volvo Penta D3 200hp diesel engines along with having joystick control which makes driving and berthing an absolute pleasure. Four owners from new with a very good service history. The boat has a licence for the Thames 2024. Recently antifouled. New overall winter cover. Air conditioning.The C30 offers a spacious cockpit with teak flooring throughout the cockpit. Large aft U-shaped seating with removeable teak table which converts to a sunlounger. Comfortable helm bucket seat with flip up bolsterand port side lounger. She has a champagne coloured dash board with full engine instrumentation."Apres" really is one of the prettiest boats of her size on the market, Italian design and quality!
