Description

38 x BOAT WINDLASS (Designer Christian Grande!!)

Year 2019

currently registered but BOAT

Maximum Motorization: 2 x 300 volvo penta D4-300 DP-H

Interior layout: 2 cabins 2 bathrooms

Many intelligent solutions have been adopted, including one of the largest external cockpits in the category, designed with a generous 8-seater "C" shaped sofa that can be integrated with an electro-pneumatically controlled table which, if necessary and thanks to an extension and a cushion (not present), becomes a large aft sundeck that is added to the already very generous one in the bow, also designed with reclining backrests!

Also in the cockpit we find a HUGE locker perfectly integrated and that at first glance you can't see but it is there and it is almost a crew cabin and not a locker, where you can stow many many things ... and I could go on for a long time but I would prefer to explain it to you during a visit on board ... so call to organize your private visit in person or by video call, we are waiting for you at the Argentario !

- Bella boat and maintained by an authorized Volvo Penta workshop
- Recent original photos
- Possibility to organize a video call visit
- Possibility of evaluating exchanges to the Seller's liking

Some extraordinary maintenance and improvements made and indicated to us by the owner:
