

SALE PRE OWNED

cerrimarine 102 flying sport

PRICE UPON REQUEST

Description

Let us tell you about the Cerri 102 FlyingSport 55 FIFTYFIVE. She was built in 2018 and used as demo unit by the yard up to 2021, when she had less than 100 running hrs and she was sold to the present first and sole Owner.

Nowadays she's a proven charter protagonist and truly lies in better than new conditions.

Tops 40kts and cruises continuously and effortlessly from 26 to 32kts. She's Seakeeper stabilized and compliant for both 220v and 110v power usage, thank to her converters and built.

The layout is astonishing for a fast cruiser this size and shape: the bow part, the sportfly and the cockpit are extremely versatile alfresco areas, all of them either good for chill, for apero and for dining.

The indoors yet so charmy and convenient. The salon is vast and elegant, with day head.

Down the lower deck the yacht can accommodate up to 9 guests in 4 cabins, including 1 Master amidship, 1 VIP upfront, 1 second VIP to port and to stbd 1 Twin with separate beds [to eventually slide-merge tgtr] + 1 pullman bed.

All these staterooms are with ensuite bathrooms, exquisitely made by travertine marble.

Crew for 5, immense garage astern.

One the most unexpected features of this unit is the Captain cabin, for two; up on main deck side to the helm station. not only the location, but also the size it's something we've never seen before on a vessel this type and size. There're must be a reason why the yacht is so pristine
