Draft min 2.50 m

Ballast 6000kg

Mast with double spreader 18.50 m

Light displacement approx 13.000KG

Central cockpit with aft wheel steering

Owner's word by Loïc:

"I bought this boat in 1988, its speed and performance won me over immediately!

The boat was built in 1978 for skipper MARSAUDON and with whom I had the chance to sail during the 'Course au large' during the double-handed transatlantic race Lorient - Bermuda - Lorient in 1983 aboard the trimaran Stalaven!

This Jade 48, I bought it in 1988, as a bare hull and I worked on it for 2 years for a full refit, reinforcing the forward frames, then I built all the woodwork and interior fittings.
