princess F49

PRICE UPON REQUEST

Description

The Princess F49 is the flybridge par excellence, with space, comfort and super yacht performance

GOOD GENERAL CONDITIONS FOR INFO 3927299703 ENEA

No. 4 strengths for a Princess F49: a rare opportunity on the market

1 - Mechanical efficiency:

"Zero Worries": With only 250 hours of operation and the total IPS service performed in 2025, the boat is technically like new. Regular maintenance eliminates the risk of unexpected hidden costs.

2 - Aesthetics and Attention to Detail:

The fresh polishing (2026) and the impeccable condition of the cushions and interior guarantee an excellent visual impact and long-lasting protection of the original surfaces.

3 - Convivial "Aft-Galley" layout:

The galley positioned aft perfectly connects the saloon and cockpit, creating a fluid living area, ideal for summer life and welcoming guests.

4 - Maneuverability and Technology:

The Volvo IPS system with joystick makes port management very easy even for a private owner, while reducing fuel consumption and vibrations during navigation.

INTERIOR:

3 CABINS

2 BATHROOMS

1 VIP double cabin in the bow

1 full-beam aft master double cabin with bathroom complete with sink, shower and electric marine toilet
