## Description

Amel Santorin from 1990:

An iconic sloop that embodies the excellence of French shipbuilding and design refinement.

Amel yachts are renowned for their exceptional build quality. Every detail is carefully thought out and every component carefully selected to ensure maximum durability.

The Santorin benefits from an innovative design that combines performance at sea with comfort on board. Its design is the result of many years' experience in building top-of-the-range yachts.

Safety is an absolute priority for Amel, and the Santorin is no exception. She is equipped with state-of-the-art navigation systems, safety features and stringent quality controls to ensure safe sailing in all conditions.

With her spacious and well-appointed interiors, Santorin offers an exceptional level of comfort for long-distance cruising. High-quality materials and meticulous finishing create a warm and welcoming atmosphere on board.

Despite her impressive size, Santorin is designed to be easily manoeuvrable, even with a small crew. The navigation and control systems are intuitive and well designed to make navigation as simple as possible.

Whether for family cruising, solo exploration or crewed adventure, the Santorin is capable of meeting a variety of sailing needs and preferences.
