Description

BEAUTIFUL J65 The flagship of the Jeanneau Yachts range
Furling mainsail, North Sails self-tacking jib (Spectra/Carbon)
Jeanneau Yachts 65 is the largest boat ever built by the historic French shipyard: 20.70 meters long by 5.40 meters beam. The flagship of the range is designed for sea lovers, eager to expand their horizons, style and comfort.

Jeanneau Yachts 65 remains faithful to the Jeanneau spirit, that is, to design boats with strong seaworthiness, full of sensations, powerful and safe, capable of great autonomy, to travel far and go from one mooring to another in absolute comfort.

Above all, it remains faithful to the philosophy of maximum customization. In fact, it is a real "semi-custom". The shipyard itself defines this yacht as an "à la carte" boat where an innumerable amount of options are available to adapt the boat to your needs.

An example is the choice of whether or not to install a hard-top. If you are a lover of pure comfort, in fact, you can choose a version equipped with a self-tacking jib, hard-top, sprayhood and outdoor kitchen to experience the outdoors just as if it were the inside.

Navigation equipment:

AIS (Raymarine), Radar Antenna, Electronic engine control, On-Board Computer, Chain counter, Display, 2 GPS (Raymarine Axiom), Autopilot (Raymarine), Plotter with GPS antenna, Radar (Raymarine Quantum), 2 VHF Radio (Raymarine Ray90).

Staging and technical:

Engine Alarm, Bilge Alarm, Water pressure pump, Teak Side Decks, Deck
