Description

EXCELLENT ALTERNATIVE TO THE NEW!!

The originality of the set-up, the feeling that every detail is studied in detail to ensure not only maximum comfort, but also the pleasure of sailing on an exclusive boat.

The sinkable stern platform, new equipment for this type of boat and for this size,

and certainly an absolute "plus" in terms of flexibility and pleasure of use of the boat

From the large aft platform you can access the cockpit from the passage on the left, to find the dinette organized on an L-shaped sofa and its table.

The kitchen cabinet occupies as usual the aft part of the driver's seat, which is of significant size, so much so that it creates three seats in the front and gives space for the sink, worktop and plates in the rear.

Data considered correct, but not contractual. This does not constitute, in any case, a contractual document
