sciallino Sciallino 30' fly

PRICE UPON REQUEST

Description

Sciallino 30 Fly is the BOAT boat!! Perfect for those who want to combine elegance, performance and comfort. Unlike the classic displacement boats of the Sciallino shipyard, this planing version guarantees fast and safe navigation, with extraordinary stability even in rough seas. Its classic lines and solid construction are combined with excellent habitability, making it ideal for both family cruises and outings dedicated to sport fishing.

The interiors, designed to offer maximum comfort, welcome with a forward owner's cabin equipped with a large V-shaped bed, spacious wardrobes and numerous storage compartments. The dinette is a convivial and well-organized environment, with a comfortable sofa and a kitchen equipped with sink, refrigerator and worktops, perfect for those who want to cook even while sailing. On the port side, a practical double bunk bed offers additional space for guests or children, while the separate bathroom, complete with electric toilet and shower, ensures practicality and functionality.

Outside, the large cockpit is perfect for relaxing or fishing, thanks also to the presence of the tuna-door, which allows direct access to the aft platform with a swimming ladder. The flybridge represents an important added value, offering a second helm station from which to enjoy a breathtaking panoramic view and navigate in total safety. The sun awning guarantees protection on the hottest days, while the external cushions on the fly help to make every corner of the boat even more comfortable.

Navigation is facilitated by a complete instrumentation, with radar, GPS,
