## Description

Bavaria 35 Sport HT 2013:

Equipped with two 270 horsepower Volvo Penta D4 diesel engines in Z-Drive, it is the perfect engine for this type of Hard Top star!

Annex + Outboard engine thermal included!

The Sport 35 HT features a sporty, elegant and modern design, reflecting the contemporary style associated with Bavaria Yachts.

The Hardtop designation indicates that it has a fixed, top-opening roof structure, providing protection and shelter in various weather conditions.

This magnificent boat measures 10.28 m, for 3.59m of width.

Although it has a very large bathing platform, its overall length remains below 11 meters.

The interior offers a well-designed and well-known volume from Bavaria, emphasizing comfort and functionality, with a very good level of finish.

The layout includes two double cabins, a kitchen, a bathroom with electric toilet and a living room with TV.

A Webasto heater completes the interior comfort.

Outside:

The cockpit benefits from several spaces such as a sunbathing area, a dining area, a summer kitchen, and the cockpit.
